Subject: References for Eagle Scout Candidates

The Eagle Scout application lists seven requirements. Requirement number two provides for six references (five if the Scout is not employed) to be listed who are willing to furnish a recommendation on the Scout's behalf concerning his demonstration of the Scout Oath and Scout Law.

In order to fulfill this requirement in the Sequoyah Council, it will be the Scout's responsibility to contact these six individuals by furnishing the attached letter explaining their role in the advancement. The letters of reference should be sent to the Chairman of the Eagle Board of Review in care of the Scoutmaster. These unopened envelopes should be submitted with the Eagle Scout Application at the time it is submitted to the Eagle Board of Review.

All letters of reference will be treated with strict confidence as appropriate and destroyed after the National Eagle Scout Service awards the Eagle rank to the Scout.

If you have any questions concerning this policy, contact your District Advancement Committee.
